

## **CORE VALUES**

### ***UNITY***

We must be unified in all we do. We win, lose, fight and work... TOGETHER!

### ***ENTHUSIASM***

We must be enthusiastic about the opportunity to achieve something together. We can't get caught up in the destination. We must enjoy the journey... TOGETHER!

### ***APPRECIATION***

We must appreciate the opportunity to be a part of a team. You are one of the select few to achieve this honor and privilege. We must appreciate one another to achieve our goals...TOGETHER!

### ***INTEGRITY***

We must conduct ourselves with the utmost integrity at all times. We are representing our school, community, families and ourselves...TOGETHER!

### ***ACCOUNTABILITY***

We must hold one another accountable to our program standards. That includes on the court, off the court, in the classroom, in the dormitory and in the community. We must not take this personally, but as a sign to improve...TOGETHER!
